

9th Symposium on Spanish and Portuguese Speaking Pediatric Intensivists

Intensivistas Pediátricos de Habla Española y Portuguesa

Intensivistas Pediátricos de Língua Espanhola e Portuguesa

Sunday 10 June 2018 * 09:00 - 16:00 * Suntec Singapore Convention Center

9th World Congress on Pediatric Intensive and Critical Care
Singapore, 2018

Invitation to the 9th Symposium on Spanish and Portuguese Speaking Pediatric Intensivists (9th SSPSPI - SLACIP - Singapore)

If you have an accepted job for the 9th World Pediatric Intensive Care Congress, we invite you to join us in the 9th Spanish and Portuguese Speaking Spanish Pediatric Intensivist Symposium (9th SSPSPI - SLACIP - SINGAPORE). This traditional meeting of the Spanish and Portuguese speaking countries will take place on Sunday, June 10, at the Suntec Singapore Convention & Exhibition Center during the activities prior to the 9th World Congress of Pediatric Intensive Care in Singapore.

The participation of Latin American intensivists in the World Congress began in Baltimore in 1992 (1st World Congress) and was held in all the other WFPICCS world congresses (Rotterdam, Montreal, Boston, Geneva, Sydney, Istanbul and Toronto).

This meeting is organized by the Latin American Society of Pediatric Intensive Care (SLACIP) and supported by all the Pediatric and Pediatric Intensive Care Societies of Latin America, as well as by Societies of Spain and Portugal.

It is a unique and invaluable opportunity to exchange experiences in the field of Pediatric Intensive Care Medicine from more than 30 countries in the region.

The scientific program of this meeting is based on the presentation in the native language (Spanish or Portuguese) of the papers accepted for presentation at the World Congress. In this area, researchers can present their studies with more time and work can be discussed from a local perspective. The selection of the oral presentations is based on the quality of the research, and having a minimum of one subject free according to the country. Depending on the number of papers submitted, only one free topic will be selected for each research group in each country for its oral presentation. The oral presentations will last 10 minutes following five minutes of comments.

The official language is Spanish and Portuguese. Registration is free.

To confirm their participation, the abstracts must be submitted in Spanish or Portuguese until April 20, 2018. An independent international commission will be in charge of selecting the free topics that will be presented. The authors will be notified of the acceptance until May 4, 2018.

The presentation of abstracts will be made exclusively by email to the following address: celiny@pucrs.br. For the format of the abstracts, it is advisable to use the same address as the Congress (but write in Spanish or Portuguese). All participants will receive a certificate of work presentation or active member of the symposium. For those who require an invitation letter can be sent by the Organizing Committee.

We hope to see you soon. If you need any other information, do not hesitate to contact celiny@pucrs.br

Pedro Celiny Garcia (Brazil) (9th General Coordinator SSPSPI-SLACIP)

Maria del Pilar Arias (Argentina) (President SLACIP)

Mauricio Yunge Bertini (Chile) and Werther B Carvalho (Brazil) (Representatives of SLACIP before WFPICCS)
